

2005 SHIRAZ

Butterfield Station Shiraz is full and complex, ripe blueberry and plum spices are accented by oak and black pepper.

The grapes, 77% Monterey and 13% Lodi, were harvested, cold soaked for 2 days, then fermented at 25° Brix, averaging 84°F. The wine was pressed at 3° Brix. During fermentation, the wine had two pumpovers and one aeration per day. Once dry, the wine was inoculated with malolatic culture, and then racked to French and American oak. The cuvée, a blend of 82% Shiraz, 15% Malbec and 3% Petite Sirah, was barrel aged for 8 months.

2004 MERLOT

Butterfield Station Merlot is a rich blend of ripe boysenberry and cherry fruit flavors accented by spicy oak and touches of cedar.

This Merlot was harvested in late September: Lodi (55%), San Luis Obispo (11%) and Solano County (17%) at 24°- 26° Brix, cold soaked for 2 days prior to fermentation, then fermented at 78°- 82°F to maximize fruit retention, and the grapes pressed off at 0°- 4° Brix. Malolatic fermentation began after primary fermentation. Aged in French and American oak for 7 months, the Merlot is blended with 9% Shiraz, 5% Petite Verdot, and 3% Malbec, providing added body and nuances of black pepper.
